

AAUW Poughkeepsie Branch

Historian Annual Report 2022-2023

Our print archives of the history of our branch are housed in the local history room of Adriance Memorial Library in Poughkeepsie. Kira Thompson, Local History Librarian, is a pleasure to work with and provides access to anyone wishing to use our information.

In the Fall of 2022, Barbara Hespenheide , the outgoing Historian, and I met at Adriance. She turned over the history notebooks and explained the procedure for archiving materials. Basically, monthly Board minutes are archived, but the monthly newsletter, The Branch, are not, as they are now stored in the Cloud.

All pertinent materials have been archived. The DCC Scholarship information will be filed once our President, Celia Serotsky receives it.

Anyone who needs historical information may contact Barbara Hespenheide or me.

Respectfully submitted,

Marge Barton, Historian
