

Nominating Committee Annual Report 2022-2023
Submitted by Pat Luczai, Chair

The Nominating Committee tasked with finding AAUW Board of Officers for the 2023-2025 term was approved by the board and was comprised of:

Pat Luczai, chair
Blanche Bergman
Mary Lou Davis
Maria DeWald
Mary Ann Williams

The members of the committee met and compiled a list of candidates. Committee members contacted close to 30 members before they were able to secure the necessary acceptances. Previously there were two Membership co-VP's, but it was necessary to go forward with one VP with the assistance of a designated assistant. In order to support the Program co-VP's, a committee is being formed to assist the Programming VP's with taking the lead for arranging speakers for monthly meetings, which will make the positions more manageable. Going forward it is recommended that current officers make an effort to reach out to newer members to engage them in activities and committee assignments in order to familiarize them with AAUW and increase the candidate pool. Many current officers and leaders are holding multiple positions as officers, committee and interest group leaders, and committee members and this situation is not sustainable for the health of the organization.

The following slate of officers will be presented to the membership at the annual meeting for election to the AAUW Board:

Membership VP - Bonnie Auchincloss
Development VP - Betty Harrel
Programming Co-VP - Kay Saderholm
Programming Co-VP - Gail Sisti
Membership Treasurer - Kathy Friedman
