

Public Policy

The fall saw an active election process as several candidates were canvassed and spoken to on the issues prioritized by AAUW.: reproductive rights, health care, retirement, STEM, pay equity and pay fairness. Candidates running for Governor, state senate and county executive and were interviewed in the newly formed districts covering four counties. All information was presented to the AAUW membership for personal consideration in the newsletter and via e-blasts. Monthly articles on AAUW priorities and interests were published in the newsletters.
