

Woman of the Year Report

Mary Lou Davis

CARAMIA BACCHIOCHI, Founder of Hope On A Mission, Inc was honored on April 14, 2024 as AAUW Poughkeepsie Woman of the Year.

The luncheon was held at Mill Creek Catering. There were 51 registered guests at the luncheon. The cost for several luncheons were covered by AAUW members for those who couldn't afford the luncheon but wanted to attend.

CaraMia received a silver platter and flowers at the luncheon. Senator Rolison and County Executive Serino sent certificates for the honoree.

We hoped to come out even, since we knew the attendance would be less than 2023. Contributions from members totaled \$208. We ended with revenue of \$627.9.

The committee members were Mary Lou Davis, chair, Marge Barton, Beth Devine, Maria DeWald, Betty Harrel, Judy Linville, Margaret Nijhuis, and Carole Wolf.
