Let's Give Credit Where Credit Is Due! Great 20th Century Women of Science Who Did Not Receive Appropriate Credit for Their Contributions and Discoveries

Presenter: Arnie Serotsky

Arnie has been interested in the history and role of women in science since 1964 as a pre-med student. Arnie's career progressed from Doctoral studies in Neurophysiology, to Science Education, to teaching in and administering science education programs in school districts and colleges for more than 40 years. He is a member of the Hunter College Alumni Association Hall of Fame and a Past President and Fellow of the Science Teachers Association of New York

CONTACTS: Gail Sisti or Kay Saderholm at program.aauw.poughkeepsie@gmail.com
